Freeing adolescent minds to achieve excellence in literacy

Fee Structure

One-on-One Tutoring

Liberated Literacy is committed to providing exceptional tutoring to anyone who will benefit from our services. We offer a fee structure that we hope will increase access to the educational services your child needs.

Families who cannot afford to pay option C are encouraged to apply for [Learning Aid Ohio](#) or [ACE Ohio](#) grants.

Each session is 60 minutes long. Parents must pay monthly. The amount of tutoring sessions your child will need per week depends on a combination of their needs and schedule.

Level	Price per 60 minute session
A	\$120
B	\$100
C	\$75
